AFTER EIGHTEEN YEARS OF CONTINUOUS IMPROVEMENT

The Bowen Brothers Shorthorn Herd is being Dispersed

"THE KANSAS HOME OF THE BULLDOZER'S"

SATURDAY, APRIL 27, 1957

HOXIE, KANSAS

Sale at the farm, in pavilion, located six miles south and
two and a half west of Hoxie, Kansas

SALE AT 12:30 P. M.

Auctioneer — Ernie Sherlock

120 HEAD SELL

Five years of drouth and buying of feed makes this dispersion necessary at this time. Featured will be the get and services of ALMAHURST BASE PAY by the great BEAUFORT BULLDOZER, that was purchased two years ago from Almahurst Farms, Nicholasville, Kentucky. There will be eight bulls, including the 1956 Kansas-Nebraska grand champion, Mardale Emperor 3d. There are two Polled Shorthorn bulls, sired by Collynie Diplomat x, and three bulls consigned by neighbor breeders, Howard and Larry Wertz, Quinter, Kansas and Ralph Engel, Grainfield, Kansas.

There will be 43 cows with calves at foot, over half of them sired by ALMAHURST BASE PAY, and they are really outstanding. There are 15 bred heifers and 10 open heifers. Nine of these are outstanding, young Polled Shorthorn heifers sired by the Hultine-bred, Collynie Diplomat x.

This sale represents every salable animal in the Bowen herd. Because of the shortage of feed, the cattle are thin, but they are good-doing, thrifty individuals that show their good breeding and quality. Come prepared to buy these good cattle at your own price as they provide a purchasing opportunity that may never be realized again.

BOWEN BROS. DISPERSION SALE

General Information

Location – The sale will be held at the farm in a pavilion, located six miles south and two and a half west of Hoxie, Kansas, or eleven miles north of Highway No. 40 on Highway No. 23. Excellent hotel and motel facilities are available at Hoxie.

Guarantee – Since this is a complete dispersion, all of the cattle will be sold without guarantees, but we would like to point out that most of the cows will have calves at foot or close to calving, and a lot of them remated. Information for the catalog was compiled well in advance of the sale, and some of the heifers listed as bred, also cows with young calves, will be mated before sale day; therefore, most of the breeding dates were omitted from footnotes, but a complete list will be furnished at the sale. Announcements from the auction block will have precedence over printed information.

Terms – The terms of the sale are cash.

Health – Official vaccination for Bangs disease has been practiced. T.B. and Bangs tests will be furnished on every animal sold and official vaccination certificates with all females under 24 months of age. Every lot will comply with the health regulations into any state which they may go.

Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.

Announcements from the auction box will take precedence over printed matter in the catalog.

The above terms and guarantee constitute a contract between the sellers and the buyer of each lot. Neither the sale manager nor the person delegated as clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

Bids – Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Mervin F. Aegerter of The Shorthorn World; to Allan C. Atlason or Ted Aegerter of American Shorthorn Breeders' Association, Chicago, Illinois; to the auctioneer, Ernie Sherlock, St. Francis, Kansas; or to Lot Taylor, Sec'y, Kansas Shorthorn Breeders' Association, Manhattan, Kansas.

MARDALE EMPEROR 3d -- We purchased him in the 1956 Kansas-Nebr. Shorthorn and Polled Shorthorn Breeders Show and Sale at Superior, Nebr. where he was the grand champion. He is a son of the Iowa State Fair reserve grand champion Helfred Emperor 39th. His dam is a half-sister to the 1956 grand champion and top selling bull at Omaha. We think our calves by Alma-hurst Base Pay are very outstanding, but many good cattlemen have told us that the first calves by Mardale Emperor 3d look equally as outstanding.

If you want to put good heads on the right kind of calves here is a young bull for you to buy. His dam comes from the famous Shallenberger Maud family and is a granddaughter of the Perth champion, Calrossie Prince Peter. BEAUFORT BULLDOZER

FAMOUS AS A SIRE ON TWO CONTINENTS

Seven sons sold at auction in Scotland have averaged \$7900.

His first son calved in North America was the 1955 International grand champion bull and supreme champion of the show.

His first daughter calved in North America was the 1955 International grand champion female.

APRIL 27 CAN BE A REAL BUYER'S OPPORTUNITY. The Bowen's are selling every salable Shorthorn they own, and the herd is being dispersed at a time when they certainly can offer a great bunch of young calves sired by Almahurst Base Pay, the outstanding breeding son of Beaufort Bulldozer. Due to the fact that this great bull is available only for a very limited service at the present time, he is not being offered in this sale. The cattle are selling just in strong breeding condition, and the record of Bowen Brothers' Shorthorns, to get the job done in the hands of their many customers, is one of the finest recommendations from them.

We certainly hope that we can look forward to seeing you at the BOWEN FARM on APRIL 27.

MERV AEGERTER, Sale Manager

Ringwell Lodestar by Beaufort Bulldozer. Junior and grand champion bull and supreme champion of 1954 International. Owned and bred by Ringwell Farms, Ringwood, Illinois.
